Plan ahead and register for

"Registration is solely the responsibility of the student"

Dear Students,

Hope your Summer is going well for you, either if you are taking courses or enjoying the sunshine!

Registration for Fall 2024 starts on

Please remember that courses may fill up quickly.

Please check this before your actual registration starts!

- Check that you have the prerequisites for your scheduled courses. If you have been granted a requisite waiver, it will display in My Permissions.
- Use the location filter to double-check what campus your courses are scheduled at.
- Check if the section already has a waitlist. **Waitlisted courses** display with a yellow triangle in the calendar and "This section has a waitlist" in the sidebar.
- Familiarize yourself with **course section definitions**. Some sections are restricted to specific programs that you may not be eligible to register for.
- Check if the section is reserved. Some sections are reserved for specific programs until a specific date. After this date, it will open for general registration.
- Consider an alternative section in case your preferred section is full when your registration period begins.
- Check if you have accepted your **student agreements**.
